

Prices Remain Unchanged since Jan. 2002

Our Tax Fees / Prices: Our tax office charges strictly by the IRS FORMS. You will not be charged for a particular IRS Forms unless it is required or will reduce your taxes. Prior to completing your returns, we will **INFORM YOU** to tell you exactly how much it will cost to prepare your tax return OR you may total them by checking the corresponding prices and add them up. That way, there's **NO SURPRISES.**

The following prices reflect our fees for each form. We accept check, credit/debit cards, money order and/or cash. All fees include computer charges, copying, postage and handling. On average, you can expect to pay "between" \$35 to \$150. If you are not completely satisfied with our services, we will refund your payment in full when you show us your tax return prepared by others and are better than ours.

Please sign a tax preparation agreement with us. **First-time client/s** will get **up to 50% discount** from the total pricing below.
